A Note from the Teacher:

Happy Monday! I am sorry for the lack of newsletter and homework last week. I had strep throat Monday and Tuesday, which led to the rest of the week being a little crazy. I have a few reminders and new information, so please read this newsletter in its entirety. When you bring your child in the morning, please bring them directly to the playground. The older kids go in a bit earlier than the kindergarten students, so I ask (for safety reasons) that all kids be dropped off on the playground. Next, there are plenty of sicknesses going around, so I wanted to remind everyone that your child must be fever-free for 24 hours before being sent back to school. This will prevent the sickness from being spread, but it will also keep your child from getting sick all over again. Lastly, our class parties are meant to be a fun time dedicated to the students in our class. Since I was not able to be there, I got a report saying that it was a little bit crowded and wild. For our Christmas party, I am going to ask that only the parents that signed up to help with the party are the only ones in attendance. So far, there is only one parent signed up, so if you would like to come in and help, I can accept two more names. Email me with any questions, have a great week!
